Article IX. Ratification

Initial ratification of the Constitution and Bylaws and acceptance of the DF95 Restricted Class Rules will be established by the founding Board of Directors of the DF95 USCOA.

Article X. Amendments

This Constitution may be amended as specified in the Bylaws.

BYLAWS

1. Administration

1.1 Officers

The officers of the COA shall consist of three Directors. One of those Directors will be the Class Secretary whose selection is described in section. Each Director must be an American Model Yachting Association (AMYA) member. The Directors will serve a two year elected term. One of the Directors, as chosen by the Directors, will serve as the COA National Class Authority representative to any potential International Class Authority.

1.2 Selection of Directors

Any qualified COA member may volunteer for position of Director no later than the First of April each odd numbered year. A slate of current Directors, who wish to continue serving, plus new volunteers, shall be submitted to membership of the COA for a vote within 30 days. Each candidate may place a statement of qualifications on this ballot. Each COA member shall be entitled to vote for three Directors. The three candidates with the most votes become Directors for that term. Ties will be resolved by a flip of a coin. The candidate with the most votes shall become the Class Secretary. At any time the position of Class Secretary may be transferred to one of the other Directors providing unanimous approval of the Directors. In the case that a Director becomes unwilling or unable to finish their term, the remaining Directors shall issue a call for volunteers and hold a special election under the procedures as defined for regular elections. The Director chosen in a special election will serve for the remainder of the original term and shall be eligible for reelection at the regularly scheduled biennial election.

1.3 Other Administrative Posts

Directors may appoint other individuals to administrative or support posts as required.

1.4 Conduct of Business

All business, elections, notifications, etc. shall be by means of the Internet. Documents generated during the conduct of COA business shall be maintained in electronic form in multiple locations. Funds collected by COA shall maintained in separate account accessible by Directors or designated administrative persons. In all matters calling for an election or a polling of the membership, these elections or polls shall be conducted on the basis of one vote per member.

2. Membership

2.1 Classes of Membership

There shall be one class of Membership, Registered. To become a Registered Member, an individual must own a DragonFlite 95, submit a completed application via the DF95 COA website and pay the sail registry fee.

2.2 Nondiscrimination

Section 2.1 shall be sole criterion for qualifying for membership.

2.3 Member privacy

The only information about a member which the DF95 USCOA may publicly release shall be the member's name, city and state of residence, AMYA membership number, and sail number as submitted in their membership application. No other personal information about any member shall be released by the COA without the explicit permission of that member.

2.4 Removal for Cause

A member may be removed or suspended for cause by unanimous vote of the Directors. The member shall be given full opportunity to review and respond to any allegations and evidence prior to Directors' vote. If the allegations are against a Director, the remaining two Directors shall unanimously appoint an independent third party to review allegations and evidence and cast that Director's vote. This process shall maintain the privacy of the members involved in the matter.

3. Registration of Boats

3.1 Sail Number

Each member shall receive a sail number upon achieving Registered member status. This number plus the DF95 Class Emblem shall be displayed on the sails of all boats owned by the member in the manner called out by the Restricted Class Rules. A member may apply for a specific number of no more than four digits and if that number is unassigned it shall be granted.

4. Class Rules

4.1 Rules

The class rules shall be the DF95 Restricted Class Rules as issued by the Builder. (The term "Builder" is defined in the DF95 Restricted Class Rules.

4.2 Changes to International Rules

Should the COA join an International Association, the process for proposed changes shall be to distribute to COA members proposed changes and the membership shall be polled as to their preferences. The Class Secretary shall then cast the DF95 USCOA vote in accordance with those poll results.

5. Certificate

5.1 Certificate

No measurement certificate is required; however, boats may be subject to inspection by the race committee at registration or at any time during a regatta or series to determine compliance with the DF95 Restricted Class Rules. If a boat is found to be noncompliant during a regatta, the race committee may require any action up to and including the withdrawal of the boat from competition.

5.2 Measurement at Events

A boat shall be measured upon owner's request, or if the boat is protested.

6. National / Regional Championship Regattas

Directors shall designate one regatta per year as the DF95 US National Championship.

Regional championships may be awarded by the Directors, a maximum one regional championship per year, per region, based on suitable bids placed by clubs within that region.

7. Amendments to Governing Documents

7.1 Any COA member may propose an amendment to the governing documents. Upon unanimous approval by the Directors, the proposed amendment shall be distributed to the membership and a vote held. A two-thirds majority of total COA registered AMYA memberships shall be required to submit the amendment to the Builder for consideration of Restricted Class Rules. At no time shall these COA governing documents conflict with the Restricted Class Rules as issued by the Builder. These COA governing documents will abide by all applicable provisions of the AMYA.
